AAR 2025, page 32	1. Uncollected stall rentals totaling ₱417,400.00 were not recognized in the books as at December 31, 2025 which is not in consonance with Item 19 of IPSAS No. 9, thus, understating both the Operating Lease Receivable and the corresponding income accounts, affecting the account balances presented in the financial statements.	We recommended that Management: a) Instruct the Municipal Treasurer to update the Certified list of Delinquent Stallholders, including the corresponding amounts of surcharges and interest in accordance with the provisions of the Lease Contract and furnish a copy of the report to the Accounting Office for proper recording and assessment;	The Municipal Treasurer to update the Certified list of Delinquent Stallholders and furnish a copy of the report to the Accounting Office for proper recording and assessment	Municipal Treasurer	June 2026	Dec. 2026	Not Implemented	We are currently reconciling and validating our records on all unpaid stall rental fees. This is due to discrepancies caused by missing contracts, unauthorized subleasing, and unrecorded stall transfers or sales. Once validated, we will implement appropriate collection and corrective measures, and update our record accordingly.	We are currently undertaking the reconciliation and validation of unpaid stall rental fees covering the period 2015 to present.
		b) Instruct the Municipal Treasurer, in coordination with the Market Inspector, to enforce the collection of delinquent accounts and strictly implement the provisions of the Lease Contract, including the revocation thereof, if warranted;	The Municipal Treasurer and Market Inspector to enforce the collection of delinquent accounts and strictly implement the provisions of the Lease Contract, including the revocation thereof, if warranted	Municipal Treasurer/ Market Inspector	June 2026	Dec. 2026	Not Implemented	The Market Supervisor is currently primarily tasked with the collection of slaughter fees and cash ticketing of ambulant vendors and trucks within the market premises. At present, he does not have access to the system to verify the latest payment status of stallholders.	The concerned office is currently reconciling and validating the stall rental records. Once the reconciliation is completed and the outstanding balances are established, personnel will be designated to regularly monitor stall rental payments and ensure timely updating and follow-up of accounts.

		c) Direct the Municipal Accountant to adopt the accrual method of accounting for the recognition of uncollected stall rentals; and	The Municipal Accountant to adopt the accrual method of accounting for the recognition of uncollected stall rentals	Municipal Accountant	June 2026	Dec. 2026	Implemented	N/A	It was agreed upon that the Treasurer's Office will give a copy of the Uncollected Stall Rentals to the Municipal Accountant every end of the year for proper recognition of income.	
		d) Require the Municipal Accountant to prepare adjusting journal entry to take up the unrecorded delinquent stall rentals as follows: Operating Lease Receivable 417,400.00 Rent Income 138,900.00 Prior Period Adjustment 278,500.00	The Municipal Accountant to prepare adjusting journal entry to take up the unrecorded delinquent stall rentals.	Municipal Accountant	June 2026	Dec. 2026	Implemented	N/A	Adjustment was already made under JEV No. 100-26-06-0023 dated 6/29/2026.	
AAR 2025, page 34	2	Fifteen motor vehicles transferred to and used by the different barangays of the Municipality with a book value of ₱23,433,297.62 were still included in the PPE account due to the absence of the required transfer documents which is not in accordance with the pertinent provisions of PD No. 1445 and International Public Sector Accounting Standards (IPSAS) 45, thus, overstating both the assets and equity accounts by ₱23,433,297.62, affecting the fair presentation of the financial statements.	We recommended that Management: a. Cause the formal transfer of the said motor vehicles to the donee-barangays by executing the Sanggunian Resolution, Deed of Donation, Acceptance Report from barangays and other supporting documents necessary to effect the transfer; b. Require the Municipal Accountant to derecognize the motor vehicles from the books once the transfer has been officially completed.	Management Position: - The MOA was signed in February 2025 with proper local resolutions. - The vehicles stay on the books because the municipality keeps ownership and control. - Management agreed to update financial statement notes and issue a revised MOA. Audit Team Response: -Acknowledged the plan to create a new MOA. -Reminded management that the revised MOA must clearly state municipal ownership, control, and asset accountability.	LGU	June 2026	Dec. 2026	Not Implemented	N/A	The Municipal Accountant has already informed the concerned department to update the MOA.
				Municipal Accountant	June 2026	Dec. 2026	Implemented	N/A	The Municipal Accountant will include the proper disclosure in the 2026 Notes to Financial Statements.	

AAR 2025, page 36	3	The balance of CIP - Buildings and Other Structures account reported in the financial statements does not reconcile with the total cost of actual ongoing project of the Municipality reflected in the Quarterly Reports on Government PPAs with a discrepancy of ₱1,096,244.18 which is not in consonance with Paragraph 25 of IPSAS No. 1, affecting the account balance of the CIP account presented in the financial statements.	We recommended that Management require the Municipal Accountant to prepare the necessary adjusting journal entries to take up the unrecorded CIP- Buildings and Other Structures account, as follows: CIP-Buildings and Other Structures 1,096,244.18 Accounts Payable 1,096,244.18	The Municipal Accountant to prepare the necessary adjusting journal entries to take up the unrecorded CIP- Buildings and Other Structures account	Municipal Accountant	June 2026	Dec. 2026	Implemented	N/A	The Municipal Accountant will reflect the adjustment on the Financial Statement for CY2026 since the project was already 100% completed last January 21, 2026 and paid last March 12, 2026 under DV NO. 100-26-03-0344.
AAR 2025, page 37	4	Breeding stocks amounting to ₱110,000.00 remained recorded in the books despite their distribution to beneficiary farmers, which is not in conformity with Section 13 of IPSAS No. 27, resulting in the overstatement of both the asset and equity accounts.	We recommended that Management instruct the Municipal Accountant to make the necessary adjustments in the Breeding Stocks account by debiting Prior Period Adjustments account and crediting Breeding Stocks account, both by ₱110,000.00.	The Municipal Accountant to make the necessary adjustments in the Breeding Stocks account	Municipal Accountant	April 2026	Dec. 2026	Implemented	N/A	Adjustment was already made under JEV No. 100-26-04-0014 dated 4/30/2026.
AAR 2025, page 39	5	Unreleased disbursement check at year-end amounting ₱878,549.46 was not recognized in the corresponding liability account which is not in accordance with Section 74 of PD No. 1445 and Paragraph 27 of IPSAS, resulting in the understatement of both the Cash in Bank – Local Currency, Current Account (LCCA) and Liability accounts in the amount of ₱878,549.46.	We recommended that Management require the Municipal Treasurer to submit a list of unreleased checks at every year-end, if any, to the Accounting Office for the preparation of Journal Entry Voucher (JEV) by the Municipal Accountant to take up the necessary adjustment.	The Municipal Treasurer is required to submit a list of unreleased checks at every year-end and furnish a copy to the Municipal Accountant.	Municipal Treasurer	June 2026	Dec. 2026	Implemented	N/A	This was a previous audit finding in 2024 and has already been implemented. The Municipal Treasurer agreed to verify the lists and amounts prior to submission.
			We further recommended that Management instruct the Municipal Accountant to draw JEV to restore cash and recognize liability in the appropriate cash and liability accounts. Below are the proposed adjusting journal entries: Cash in Bank - LCCA 878,549.46 Accounts Payable 878,549.46	The Municipal Accountant to draw JEV to restore cash and recognize liability in the appropriate cash and liability accounts.	Municipal Accountant	May 2026	Dec. 2026	Implemented	N/A	The Municipal Accountant will reflect the adjustment on the Financial Statement for CY2026 since the unclaimed voucher was already claimed by the payee last January 2026.
AAR 2025, page 41	6	Other Receivables account under the General Fund and Trust Fund totaling ₱617,014.91 as at December 31, 2025 was not supported with detailed schedules, complete subsidiary ledgers and other documents or records and included receivables in the amount of ₱613,635.81 which had been dormant for more than 10 years which is not in accordance with Section 111 (1) of PD No. 1445, COA Circular No. 2023-008, and COA Circular No. 2025-005, thus, casting doubts on the validity, reliability and collectability of the Receivable account as reflected in the Financial Statements.	We recommended that Management instruct the Municipal Accountant: a. To exert effort to locate the documents or records to identify the complete details of the Receivable account in the amount of ₱613,635.81. In case collections thereof could no longer be ascertained, Management may request for authority to write-off the dormant receivable account to clean the account subject to the requirements and procedures; and	The Municipal Accountant to exert effort to locate the documents or records to identify the complete details of the dormant Receivable accounts	Municipal Accountant	Aug. 2026	Dec. 2026	Not Implemented	Majority of the dormant receivables have been outstanding for more than 20years.	The Municipal Accountant will exert effort to locate documents & request write-off for the dormant receivables.

		OTHERS: SUBSTITUTION.	b. To exert maximum effort to collect the receivables from the debtors who are still in service to provide funds for other intended priority projects of the Municipality.	The Municipal Accountant to exert maximum effort to collect the receivables from the debtors who are still in service	Municipal Accountant	Aug. 2026	Dec. 2026	Not Implemented	Still to notify the debtors.	The Municipal Accountant will exert maximum effort to collect the receivables from the debtors who are still in service.
AAR 2025, page 44	7	The PCF was predominantly used for the disbursement of various financial assistance and was replenished more than once within a month, contrary to the policies and guidelines governing PCF under COA Circular No. 97-002 dated February 10, 1997. This practice disregarded the intended purpose of the PCF and undermined the integrity of established financial controls.	We recommended that Management: a) Instruct the Municipal Treasurer to stop the practice of charging various financial assistance to the PCF; b) Instruct the concerned Municipal Officials to formally devise a written policy on the handling of PCF taking into consideration the policies and guidelines under the circular; and c) Direct the Municipal Treasurer and the Municipal Accountant to exercise prudence when processing payments to be charged to the PCF.	The Municipal Treasurer to stop the practice of charging various financial assistance to the PCF; The Municipal Officials to formally devise a written policy on the handling of PCF. The Municipal Treasurer and the Municipal Accountant to exercise prudence when processing payments to be charged to the PCF. AAR 2025, page 47	8	Donations in kind granted by the Municipality to various barangays and schools totaling ₱263,995.00 were not supported with complete documentation, contrary to Sections 4(6), 123 and 124 of PD No. 1445. This deficiency weakens internal controls needed to ensure the regularity and efficiency of municipal operations and exposes government resources to potential abuse or misuse.	We recommended that Management strictly enforce compliance with Section 4(6) of PD No. 1445 by requiring the submission of complete supporting documents prior to the grant of donations in kind. Management should likewise establish and implement adequate internal control measures, including the use of a documentary checklist, proper review and verification procedures, and periodic monitoring, to ensure that all donations are duly authorized, properly recorded, and received by intended beneficiaries.	The Management strictly enforce compliance with Section 4(6) of PD No. 1445 by requiring the submission of complete supporting documents prior to the grant of donations in kind.	LGU	June 2026	Dec. 2026	Implemented	N/A	The management ensures the submission of complete documents before granting the donation in kind.

AAR 2025, page 49	9	The Municipality procured various ICT equipment, construction supplies, and refrigerator amounting to ₱504,681.00, wherein the use of brand names in the reference/technical specifications was allowed which is not in accordance with Section 11 of the IRR of RA No. 12009, thus, affecting the validity and legality of the transactions.	We recommended that Management:	Require the BAC to ensure that all technical specifications are generic, performance-based, and aligned with actual operational needs to promote fair competition and obtain the best value for the government.	BAC	Aug. 2026	Dec. 2026	Implemented	N/A	The BAC already informed all the departments to ensure that all PRs and RFQs are aligned with the actual operational requirements and to prohibit tailor-fitting.
			a) Require the BAC to issue a Memorandum to all end-users and implementing units strictly prohibiting the practice of tailor-fitting technical specifications to a specific brand or model and requiring that all specifications indicated in the PR and RFQ be performance-based, functional, and generic, clearly aligned with the actual operational requirements of the end-user, in order to promote fair competition and ensure the most advantageous price for the government; and b) Instruct the BAC, with the assistance of the TWG and the BAC secretariat, to thoroughly review and validate all technical specifications prior to the approval and issuance of bidding documents, to ensure that they are not brand-specific and are fully compliant with existing procurement laws, rules, and regulations.	The BAC, with the assistance of the TWG and the BAC secretariat, to thoroughly review and validate all technical specifications prior to the approval and issuance of bidding documents.	BAC/ BAC TWG/ BAC Secretariat	Aug. 2026	Dec. 2026	Implemented	N/A	The BAC, with the assistance of the TWG and the BAC secretariat, thoroughly reviews and validates the technical specifications prior to approval and issuance of bidding documents.

AAR 2025, page 61	15	Various PPAs identified in the Gender and Development (GAD) Plan and Budget for CY 2025 totaling ₱4,527,500.00 did not clearly address gender-related issues and concerns, contrary to the provision of Item 4.0 of Philippine Commission on Women (PCW) – Department of the Interior and Local Government (DILG) - Department of Budget and Management (DBM) - National Economic and Development Authority (NEDA) Joint Memorandum Circular (JMC) No. 2013-01, defeating the purpose of addressing gender issues towards gender equality and women empowerment. Furthermore, submitted GAD Accomplishment Report (AR) for CY 2025 was not supported with complete and sufficient documentary requirements evidencing the appropriateness of the reported accomplishments and corresponding expenses related to support the gender mainstreaming and address gender sensitivity issues and concerns.	We recommended that Management instruct the GAD Focal person to:	The GAD Focal Person to ensure that GAD activities address identified gender issues and that expenditures are aligned with GAD objectives.	GAD Focal Person (MSWDO)	June 2026	Dec. 2026	Implemented	The review and strengthening of GAD PPAs is an ongoing process and requires coordination among concerned offices during the preparation and implementation of the GAD Plan and Budget.	The GAD Focal Person shall continue to review proposed GAD PPAs using appropriate gender analysis and ensure that activities are linked to identified gender issues, objectives, outputs, and indicators. Necessary revisions shall be incorporated in succeeding GAD Plans and Budgets, as applicable.
			a. Identify the projects, programs and activities that will effectively address gender issues before inclusion in the GAD Plan and Budget and ascertain that expenditures for GAD-related activities are efficient and absolutely in line with the GAD objectives and activities;							
			b. Strictly observe the existing guidelines in the implementation of GAD programs, projects and activities in order to prevent the incurrence of unrelated GAD expenses; and	The GAD Focal Person to ensure compliance with GAD guidelines and prevent unrelated GAD expenses.	GAD Focal Person (MSWDO)	June 2026	Dec. 2026	Implemented	Continuous monitoring and coordination with concerned implementing offices are necessary to ensure consistent compliance with applicable GAD guidelines throughout the implementation period.	The GAD Focal Person shall strengthen monitoring and coordination with concerned offices to ensure that GAD expenditures are directly related to approved GAD PPAs and supported by appropriate documentation. Concerned offices shall be reminded to comply with applicable GAD guidelines and documentary requirements before submission of accomplishments and financial reports.
			c. Submit the lacking documentary requirements as attachments to the submitted accomplishment report to verify the appropriateness of the expenses incurred and faithfully adhere to the guidelines in the preparation of GAD Plan and Budget and Accomplishment Report.	The GAD Focal must submit the missing documents with the accomplishment report to verify expenses and comply with preparation guidelines.	GAD Focal Person (MSWDO)	June 2026	Dec. 2026	Implemented	The Municipality's GAD Plan and Budget is implemented through mainstreaming, which requires the consolidation of documents and accomplishments from several implementing offices.	The Municipality shall ensure that the succeeding GAD Plan and Budget and corresponding GAD Accomplishment Reports strictly comply with applicable guidelines, including the timely submission of complete supporting documents and accomplishment reports by all concerned implementing offices.

AAR 2025, page 47	16	The Municipality was unable to exercise its authority to update, amend, or modify its Local Revenue Code since 2010, as mandated under Republic Act (RA) No. 7160, also known as the Local Government Code of the Philippines, thus, depriving itself to create or amend additional sources of revenue that could be allocated to support various programs, projects and initiatives geared toward the overall development of the Municipality and the welfare of its constituents.	We recommended that Management, through its SB, ensure the expeditious processing, review, and approval of the updated Local Revenue Code, as its timely implementation will generate additional revenue sources necessary to support and sustain the Municipality's programs, projects, and activities.	The Management strictly enforce compliance with Section 4(6) of PD No. 1445 by requiring the submission of complete supporting documents prior to the grant of donations in kind.	LGU	Aug. 2026	Dec. 2026	Not Implemented	An ongoing update is being conducted by the SB and the concerned department.
